🌈 Mardi Gras Fair Day 2026 🌈

Dr. Alex Hung attended the 2026 Mardi Gras Fair Day on February 15th 2026 as part of the Australian Rainbow Vets and Allies group to provide first aid to dogs on site. It was expected around 80000 attendees from all over the world have attended to celebrate the first day of Mardi Gras!

Thankfully, the weather wasn't too hot this year and the dogs were very well behaved! Plenty of dogs were out and about – some who were cute models or even contestants at the Doggywood stage to show off their beauty or tricks! Overall the event was full of love, acceptance and positivity.

DID YOU KNOW?

Vet HQ has always been proud supporters of the Australian Rainbow Vets and Allies group. In 2020, Vet HQ and the Australian Rainbow Vets have marched together in the parade to show their support to the LGBTQ+ community, with Dr. Geoff driving the truck down Oxford street!

Much love to all,
Dr. Alex Hung
